Purpose / How to Use This Bible

This Bible consolidates planning, communication, styling and event operations into one central system for the couple, on-day coordinator, vendors and guests.

01 PLAN

Align the vision, timeline, logistics and responsibilities.

02 COMMUNICATE

Share clear, consistent information across the entire team and guests.

03 DELIVER

Execute beautifully on the day and wrap up with care.

*Use as the shared source of truth
before, during and after the wedding vacay.*
